Dear Supporters and Friends

On behalf of the team at Jumpstart Academy Africa, thank you for supporting our work over the last 4 years since we began operations in 2014.

As we approach our five year mark, we are pleased at how far we have come as an Academy.

To date, our work has impacted over 3500 students across 30 schools in Cameroon and Togo.

On behalf of the dedicated team at JumpStart Academy Africa, I would like to thank you for supporting us as we ensure that youths across Cameroon, Togo and Africa receive a quality education.

The Year in Review

Game Changers Pitch Competition

Earlier this year, we partnered with Game Changers, an annual challenge which boosts innovation among young Africans.

This May, we hosted the first ever Game Changers Challenge.

Our scholars were able to tap into their innovative and entrepreneurial potential, collaborate with peers and launch exciting ideas.

The highlight was our scholars pitching their project ideas which tackled a range of issues from sanitation to the production of coconut oil.

Congratulations to the winning team – Peer Educators!

Graduation of our Third Class

Congratulations to our Class of 2017!

Speaking at the event was the CEO of SAMA CARE Ltd, Sama Ndofor and Christabel Tengu, Jumpstart Academy alumnus from our inaugural class.

Scholar Spotlight

We are pleased to announce that Bonaventure Che from our class of 2017 was one of the 100 young Africans selected for the Mandela Centennial Scholars Programme.

About the Program

African Leadership University (ALU) in partnership with the Graça Machel Trust and the Mandela Institute of Development Studies (MINDS) launched the Mandela Centennial Scholarship Programme, a landmark scholarship to honor President Mandela's legacy and carry forward the important work he began in education by giving the opportunity to 100 outstanding young Africans from disadvantaged backgrounds to attend ALU.

The students selected will benefit from a full scholarship and unparalleled opportunities for leadership development.

Scholar Spotlight

We are pleased to announce that Glory Tiele Yenchek, a scholar from our 2017 was selected to join the 2018 cohort of the Yale Young African Scholars Program (YYAS).
